

Kelly Services® Receives “Best and Brightest Companies to Work For” Award for Innovative Approach to Human Resources

CHICAGO (July 30, 2018) -- For the first time, [Kelly Services®](#), a global leader in providing workforce solutions, was recognized as one of Chicago’s “Best and Brightest Companies to Work For” by the National Association for Business Resources (NABR). The Chicago Kelly Services team was honored at an award ceremony on July 27 at the Drury Lane Conference Center in Oakbrook Terrace. Kelly Services was selected from hundreds of businesses located throughout the region for its innovative and thoughtful approach to human resources, and its commitment to its employees. The company exceeded other regional employers in the areas of employee enrichment, engagement and retention, communication and shared vision, diversity and inclusion, and community initiatives.

“This recognition reinforces our commitment to connect people to work in ways that enrich their lives and differentiating ourselves in the market,” said Brad Beckner, Chicago territory vice president for Kelly Services. “Providing innovative workforce solutions requires us to attract and retain talented individuals, both internally and on behalf of our clients. It’s very gratifying to know our team feels strongly that Kelly Services is a great place to work.”

Award nominees are assessed by an independent research firm on several key human resources measurements, as well as input provided through an employee survey. The Best and Brightest Companies to Work For® designation provides the business community the opportunity to showcase its best practices and demonstrate why they are an ideal place for employees to work. This national program celebrates companies that are making better business, creating richer lives and building stronger communities.
